## WHAT DO WE DO?

Frantic Theatre Company **perform** innovative, thought-provoking and breathtakingly entertaining **one-man musical theatre** shows, each 45 minutes long, delivered fresh to your front door.

We call this In-House-Theatre and it's totally different.

**IN-HOUSE-THEATRE** - Yes, you book your own theatre show!

- whether that be for friends, family and colleagues in your own home, or place of work, or school or even at your local hall (if your thinking big).

We also specialise in **outreach work**, taking the healing power of live professional theatre to the most disadvantaged, particularly those in hospitals, hospices and long-term residential care.

**'moments of anarchic beauty'**

- time out

**'truly inspired'**

- the big issue

## HOW DO WE DO IT?

Simple, we've broken all the rules and have come up with a form of infectious comedy that aims to be all things to all people, young or old alike.

With quick fire character changes, ridiculous costumes & high-energy musical-theatre and dance, we take diabolical liberties with the greatest songs, sketches, poetry and monologues of the last 100,000 years.

From Marie-Lloyd to Monty Python, from Gracie Fields to Gershwin, from high to low and back again, we call this phenomenon 'New-Time-Music-Hall'. With over 10,000 shows since 1990, it really does beat slobbering out in front of the telly.
