WHAT DO WE DO?

Frantic Theatre Company perform innovative, thought-provoking and breathtakingly entertaining one-man musical theatre shows, each 45 minutes long, delivered fresh to your front door.

We call this In-House-Theatre and it's totally different.

IN-HOUSE-THEATRE - Yes, you book your own theatre show! - whether that be for friends, family and colleagues in your own home, or place of work, or school or even at your local hall (if your thinking big).

We also specialise in outreach work, taking the healing power of live professional theatre to the most disadvantaged, particularly those in hospitals, hospices and long-term residential care.

'moments of anarchic beauty'
- time out

'truly inspired'
the big issue

HOW DO WE DO IT?

Simple, we've broken all the rules and have come up with a form of infectious comedy that aims to be all things to all people, young or old alike.

With quick fire character changes, ridiculous costumes & high-energy musical-theatre and dance, we take diabolical liberties with the greatest songs, sketches, poetry and monologues of the last 100,000 years.

From Marie-Lloyd to Monty Python, from Gracie Fields to Gershwin, from high to low and back again, we call this phenomenon 'New-Time-Music-Hall'. With over 10,000 shows since 1990, it really does beat slobbering out in front of the telly.

WHY DO WE DO IT?

Good question! Thank-you for your concern.

WHERE DO WE DO IT?

Your own living room, drawing room, lounge, garden, garden centre, stately home, village hall, Womens Institute, arts centre, theatre, TV/media centre, comedy club, hospital, hospice, charity do, conference centre, factory canteen, office, business premises, farm, sheltered housing complex, prison, school, youth club, mental health institution, day centre, palace, political club, British Legion club, hotel, pub, beach, residential care organisation, students union, conservatory, church, church hall, housing association, high-rise flat, drama school, library, college, clinic, government department, caravan club, and, when the weathers fine, in one of your fields!

For further ideas and information on these venues visit www.frantictheatre.com/venues/

COME OFF IT, HOW MUCH DOES IT ALL COST?

One show costs £140 + VAT, two or more shows booked together cost a mere £110 + VAT each. Bargain.

Think about it, for an audience of 20 booking, say, two brand new shows a year apart, that works out at about £6.50 per person per show- that's cheaper than a concessionary ticket to the local theatre, yet we come to your door!

Cheaper even than the pizza our dear old Fred is tucking into (see front cover for more details).

Individuals can pay by cheque or credit/debit card in advance, and organisations (aside from a deposit) can pay the balance on the day.

WHAT WE REQUIRE

- An audience**
(anything between 5 to 155 people)
- A living room**
(really, no room too small)
- A plug socket**
(for our music)
- A table**
(for costumes & props)
- A changing room**
(anywhere in-doors)

WHEN?

We come to your area for only one week every six months (again with a new show each time). For our tour dates up to January 2008 please turn over

or type in your postcode at www.frantictheatre.com
